**PUBLIC NOTICE**

Effective as of the **1<sup>st</sup> July 2014**, the Land Transport Authority ("LTA") will be enforcing section 17 of the Road Traffic Ordinance 1960, which requires that all vehicles registered with the LTA, must also be registered under the name of the current/existing owner.

To all vehicle owners, this therefore means that in order to re-register your vehicle (when due for re-registration), you must ensure that:

1. The vehicle is registered under the correct owner's name at the LTA (Proof will be required at the time of re-registration); and
2. The vehicle is road-worthy and satisfies the LTA Vehicle Inspection Tests.

Failure to satisfy the conditions as noted above; will result in the LTA declining the re-registration of your vehicle.

We strongly advise that before queuing to re-register your vehicle with the Vehicle Inspection Team, please check the ownership status/details of your vehicle with our Vehicle Certification Officers to avoid any unnecessary delays/hassles.

Please contact the LTA on phone: 26740 ext. 103, 109, 114 or 161 for more information and for any questions. For Savaii, please contact phone: 51508.
